**T**he Chesapeake Region of the Porsche Club of America serves its club members and hosts activities within the Baltimore, Annapolis and surrounding geographic area, including Maryland's Eastern Shore. The general objectives of PCACHS are, as indicated in the by laws:

- Promote the highest standards of courtesy and safety on the roads.
- Promote the enjoyment and sharing of goodwill and fellowship engendered by owning a Porsche vehicle and engaging in such social or other events as may be agreeable to the membership.
- Promote the maintenance of the highest standards of operation and performance of the marquee by sharing and exchanging technical and mechanical information.
- Establish and maintain mutually beneficial relations with Porsche AG, Porsche Cars North America (PCNA), Porsche dealers, and other independent service sources to the end the marquee shall proper and continue to enjoy its unique leadership and position in sports car annals.
- Promote the interchange of ideas and suggestions with other PCA Regions throughout North America and the world, and in such corporation as may be desirable.
- Establish such mutually corporative relationships with other car clubs as may be desirable.
- Establish a community service initiative with the goal of engaging members to participate in activities that benefit the community through fundraising or volunteering of time.

## *President's Message*

**Hello Fellow Porsche Club Members!**

**F**ebruary Presidents meeting - As I sat down to finalize my President's message today, let me share a bit of irony; we just returned from attending a National board meeting that was held at the new Porsche Cars North America Headquarters in Atlanta Georgia.

I wrote the rough draft on Thursday January 21 while we were flying down to Atlanta. It began by stating that since the weather has been so mild I hope we have all been using our cars on a regular basis.

We bought our cars to drive them; Porsches were built to be driven. Well while we were in Atlanta Mother Nature decided to balance out all that mild weather with 30 inches of snow. I think a lot of snow fall records were broken.

A big thank you goes out to **Donna Brandt**, for chairing our After Holiday Party. A great time was had by the majority of those in attendance.

There were some really nice gifts and some gag gifts that were enjoyed by all. Our MC's for the evening were **Bob Gutjahr** and **Manny Alban**, both contributing their wit and humor to the party.

Please note we will be moving the After Holiday Party to a new location in January 2017. Also for 2017 we will change the gift exchange to one gift per couple which will allow us to increase attendance opening up one of our most popular happenings to more members. In the past we have limited the attendees to 100, so the gift exchange doesn't run beyond 11:00 p.m.

We sell-out usually in the first few days; so for 2017 we will cap registration to 150. The evening also hosts our award ceremonies and you can see elsewhere in the Patter our list of award winners that were handed out for Autocross. The Autocross committee put many long hours into bringing you a first class event throughout the summer. This year **Rick Macinnes** will be stepping down from the Autocross committee. **Rick** has done a stellar job with the AX

# Chesapeake Region from our president

team. **Pat Walker** will be taking the lead and please join me in welcoming our new co- chair **Ryan Golom** to the team. I'm sure **Ryan** will bring some fresh ideas to the course.

Join me in offering our congratulations to **Aaron and Minta Miller** as the 2015 **Enthusiasts of the Year**.

**Aaron and Minta** are our Membership co-chairs, the first point of contact for all new members joining our region. **Aaron and Minta** have helped out on the Chesapeake Challenge and multiple functions throughout the year, besides hosting new member parties and all other duties handled by Membership chairs. This year we honored them for all they do for our region .

If you are attending a club function and there are new members, please talk to them and make sure they feel welcome.

To this day, I still remember my first couple of events and being greeted by Dennis Howard.

Coming up on Saturday February 13<sup>th</sup> and March 19<sup>th</sup> we will have our family **Super Slot Car Evening**. Both events will be held at the Parkville Y

from 3 to 7 p.m. This is another one of our family events. Please RSVP to **Terrell Williams** that you would like to attend at [tmoneyrunner@gmail.com](mailto:tmoneyrunner@gmail.com).

This year we are excited to have an all new track and transformers. **Terrell** has two new track layouts that guarantee to be exciting. If you are able to help with set-up or clean-up (track take down), please let **Terrell** know.

We chose to reschedule our At Speed tech session and also the January social due to the lousy weather. There may be 30 inches of snow on the ground but spring is just 50 days away.

Why not check our calendar for a list of current events and like us on Facebook for real time information.

Peace,

*Claude*

### We need to hear from you!

**W**e are always in need of Porsche related articles and photographs to help tell what our members are doing with their Porsches.

Our membership live and travel throughout the Chesapeake area and the country and all around them are unique stories just waiting to be told. If you feel you don't have the time or expertise to tell those stories yourself, we ask you pass along your ideas and/or photographs. Here are a few ideas that resonate with readers:

- Travel stories that involve a Porsche. An example is the story of when and under what circumstances you found your first Porsche, may it be used or new.
- Visits to automobile museums.
- Do it yourself (DYI) projects where you fixed or performed maintenance item on your Porsche whether large or small. Examples abound, from how you winterize your car, replacing a failed ignition switch, brake pad and rotor replacement or upgrade, replacing a clutch, rebuilding a transmission or rebuilding an entire engine!
- Interviews with interesting people who own an old or rare Porsche.
- Your first experience with the PCA Chesapeake Region, a social or an interesting Tour and lunch.
- Why I love my Porsche! Please include a photo of you with your car.
- Group photos of you with your friends enjoying your cars together at a "Cars and Coffee" or any other activity together.

Write your stories, snap your photos and send them to [editor@pcachs.org](mailto:editor@pcachs.org) (Note: All photos must be original digital files and please do not resize or crop them before submission.

Many Thanks - *Michael*

## Super Slot Car Evening

**DATE:** Saturday, Feb 13, 2016  
Saturday, Mar 19, 2016

**TIME:** 3:00pm to 7:00pm

**LOCATION:**  
Parkville Y Center  
8910 Waltham Woods Road  
Parkville, MD 21234  
[tmoneyrunner@gmail.com](mailto:tmoneyrunner@gmail.com)

### *Time to get out and drive slot cars at two electrifying events!*

**T**o all Racers, Mini-Racers, Would-Be Racers, E-Racers and anyone looking for a Great Family Event! Check out the PCACHS **TWO SUPER SLOT CAR NIGHTS - SATURDAY, FEBRUARY 13<sup>th</sup>**, 3:00 PM - 7:00 PM AND AGAIN ON **SATURDAY, MARCH 19<sup>th</sup>**, 3:00 PM - 7:00 PM!

Super Slot Car Night 2016 promises to be bigger and better than ever. One of our Region's winter family traditions has undergone a major upgrade in 2016. A fixture on our winter calendar for the young and young-at-heart alike for 27 years, this family event is scheduled to take place on Saturday afternoon from 3 PM - 6 PM, February 13<sup>th</sup> and Saturday, March 19<sup>th</sup> at the Parkville Family Y Center at 8910 Waltham Woods Rd, Parkville, MD 21234.

You might be wondering why two nights in 2016? Largely because we've seemed to be losing some PCAers in previous years to national PCA events and because we have a **BRAND NEW SLOT CAR TRACK** for the first time in over a dozen years. The new track promises to be faster and smoother than ever. We'll even have two new challenging layouts. In February the track will be setup to resemble the Shanghai International Circuit and March's layout will mimic the Indy Grand Prix. Both are exciting four lane layouts that you won't want to miss. There will also be a great kid's practice track setup to keep everyone entertained and warmed up for the big races.

Volunteers are needed for the most fun packed family event during the winter season. We need help in setting up the track, tables, chairs, breakdown and cleaning up after our event. We've had a great group of volunteers in years past. Please let me know if you're available at 1:30pm on Saturday, February 13<sup>th</sup> or Saturday, March 19<sup>th</sup>. You can reach our Slot Car Chair, Terrell Williams at [tmoneyrunner@gmail.com](mailto:tmoneyrunner@gmail.com) For those helping with the track setup, we may have the room reserved for Saturday, January 30<sup>th</sup> from 3-6pm to work out the gremlins.

Registration is now open at [www.ClubRegistration.net](http://www.ClubRegistration.net). The cost is \$10 per family for those who bring a pot of Chili; \$20 per family if you bring a side dish or dessert! Hot dogs, soda, water, paper goods, condiments, etc. are provided for all.

The trophies are all set and ready for the class winners to claim. And best of all, **YOU DON'T NEED A SLOT CAR TO PARTICIPATE!** We have a few extra cars for racing. However, if you want to purchase your own 1/32 analog slot car, you can do so at Amazon, EBay, or: [www.hotslots132.com](http://www.hotslots132.com) and [www.powerslotcars.com](http://www.powerslotcars.com).

## *Performance Dyn*

**Date:** March 26, 2016

**Time:** 9:00 AM to 12:00 PM

**Location:** ASM Performance  
7410 Coca Cola Drive No. 110, Hanover,  
MD 21076, 410-712-4290

**W**hat is a dynamometer and what is performance dynamometer tuning? Well a dynamometer or "dyno" is a device that measures force, torque, or power. But to find out what "performance tuning" is, you will need to come to the Region's next tech session at ASM Per-

formance on January 23<sup>rd</sup> to learn all about it and why it could make a difference in the performance of your car. John Behe (Behe Performance) who has joined Morgan Adams (At Speed Motorsports) to form ASM Performance, is going to explain the process of tuning, both generic retail tunes and true custom performance tuning and how they are both used to satisfy the diverse needs of their customers.

John and Morgan's philosophy is that tuning is a science, more empirical than theoretical. Does a new air intake really do anything at all? Does a "performance" exhaust really help power output? Will a part their client brings to them integrate

## amometer Tuning

with factory and other aftermarket parts? They believe the answer is found in measurable, repeatable performance improvements as shown on their dyno, at the track and on the street. Dyno results are used to compare before and after tuning performance and gauge improvements from performance modifications. Their goal is to help each customer discover what he or she wants their car to be. They offer a tuning process for making that discovery; for integrating driving habits and preferences, operating conditions, emissions and other regulatory requirements, styling considerations and, of course, ultimate power as measured in torque and horsepower.

John will demonstrate their performance tuning process on their DynaPack chassis dynamometer with a vehicle directly coupled to the dyno via the wheel hubs. The dyno applies a precisely controlled hydraulic load while the engine is running, in gear, and under various speeds and load conditions and the resulting horsepower and torque will be presented throughout the rpm range. **Please register at [clubregistration.net](http://clubregistration.net).** For questions about this event, please contact Rob Mairs or Jim Earlbeck at [Tech@pcachs.org](mailto:Tech@pcachs.org) See you there!

December 31, 2015

Chesapeake Region Porsche Club  
PO Box 767  
Havre de Grace, MD 21078

Dear Chesapeake Region Porsche Club of America,

Thank you for your generous donation of \$2,500.00 to Giving Back – Linda's Legacy.

Every year, thanks to your donations and our wonderful volunteers, GBLL deliver warm clothes and other personal items to over 3,000 people, both in shelters and on the streets.

GBLL is funded almost entirely by people like you, the citizens of this area. There are no paid employees of Giving Back – our operation is run solely by volunteers. Without your help, we could not accomplish our mission.

Did you know that this organization is nearly 80% *youth driven*. Part of our mission is foster the next generation of leaders in the volunteer community.

We look forward to helping more people and in more ways in the years to come and with your support I am sure we will get there. If you are interested in additional volunteer opportunities or want to learn more about GBLL please visit our website at [www.homelessdrive.org](http://www.homelessdrive.org)

Dear Carol and Richard

On behalf of the Porsche Club of America, Chesapeake Region Executive Committee and Membership, we are honored to provide First Fruits Farm, Inc. of Maryland a monetary donation of \$2,500.

We believe these funds will benefit your charity to provide the needed nourishment to the less privileged within the surrounding communities of Maryland.

Further, we think you'll be pleased to know our members often ask when we can schedule another harvesting event with First Fruits Farms.

So, to your future harvests we sincerely believe you will achieve your charitable goals in 2016.

Also, a round of applause to **Rick Macinnes** for all of his hard work as he steps away from the Autocross Co-Chair Committee position. Somehow I don't think this will be the last Committee or Board position **Rick** undertakes. Again, many thanks from your fellow members for your dedication to the club.

After the Autocross awards it was time to draw the winner of the **50/50 raffle**. If you were there, you may recall, **Hanna Golom** managed the raffle. The 50/50 raffle was won by **Paul & Barbara Roussillon** and consisted of \$375. Winning this raffle had much better odds than the Maryland Lottery

I would say!

There are two special members who thoroughly enjoy being the Master of Ceremonies for the Yankee Swap portion of the After Holiday Party, and they are none other than **Bob Gutjahr** and **Manny Alban**.

Until next year, many thanks again to Donna Brandt for skillfully managing the AHP!

# PCA Plates

**C**hesapeake Region coordinates PCA Organizational Maryland License Plates issued through the Maryland Motor Vehicle Administration (MVA). The license plate program promotes the visibility and camaraderie of PCA and serves as a fund raiser for Chesapeake Region events. The total cost for the PCA license plates is \$35, which includes the \$25 MVA fee, and a \$10 Chesapeake PCA fee.

If you would like to obtain the PCA License Plate(s), complete the information sheet available on our web site: <http://pcachs.org/pca-maryland-license-plate/>. Once we receive your information sheet, we will mail you the MVA Application-Certification form for Organizational License Plates. The MVA form is a two-part state form, which requires signatures of the owner and any co-owner.

Please complete the MVA Application form and mail the form along with your checks to the address below. Make your \$25 check payable to MVA. Please enclose a separate \$10 check payable to

Chesapeake Region-PCA to cover a one-fund raising fee.

PCA License Plate Coordinators  
P.O. Box 8144

Elkridge, Maryland 21075-8144

Important: Do not mail the MVA form and checks directly to MVA.

Requirements: You must be a PCA Member and the car must be registered in Maryland. The PCA Plates are not limited to Porsches. You can apply for PCA plates for all your cars registered in Maryland.
