The Chesapeake Region of the Porsche Club of America serves its club members and hosts activities within the Baltimore, Annapolis and surrounding geographic area, including Maryland's Eastern Shore. The general objectives of PCACHS are, as indicated in the by laws:

- Promote the highest standards of courtesy and safety on the roads.
- Promote the enjoyment and sharing of goodwill and fellowship engendered by owning a Porsche vehicle and engaging in such social or other events as may be agreeable to the membership.
- Promote the maintenance of the highest standards of operation and performance of the marquee by sharing and exchanging technical and mechanical information.
- Establish and maintain mutually beneficial relations with Porsche AG, Porsche Cars North America (PCNA), Porsche dealers, and other independent service sources to the end the marquee shall proper and continue to enjoy its unique leadership and position in sports car annals.
- Promote the interchange of ideas and suggestions with other PCA Regions throughout North America and the world, and in such corporation as may be desirable.
- Establish such mutually corporative relationships with other car clubs as may be desirable.
- Establish a community service initiative with the goal of engaging members to participate in activities that benefit the community through fundraising or volunteering of time.

Chesapeake Region from our president

President's Message

Hello All,

Some among us may think the winter season is a slow time for our region; that couldn't be further from the truth for Chesapeake. On December 11th we held our 7th annual Kindertime Toy Drive. **Pete O'Neal**, of WMAR Channel 2 television, initiated the Toy Drive 17 years ago to provide underprivileged children with toys during the Christmas season.

Five years ago, thanks to **Kara and Gary Martinez**, our region began partnering with **Giving Back Linda's Legacy**. This year our membership supplied the funding to purchase 625 backpacks for the local under-privileged and homeless children, women and men. **Pete O'Neil** and our **Allen Gunzelman** initiated the Chesapeake Region's involvement, from there it was determined that we needed a common area large

enough for our members to drop off their donations. **Porsche of Towson** was approached and **Steve Postol** offered us the use of their showroom and it has just continued to grow larger year after year.

Our Board held its 2017 planning meeting in November with all committee chairs bringing their proposed event dates and we worked to set up the calendar for the year. **Michael Murphy** is currently updating the calendar for 2017 so you will soon be able to see the plan in the Patter and on our website (www.pcachs.org). The Autocross program is currently looking into shaking up the upcoming season; they may be taking the show to different areas. The crew has not locked down anything yet, but stay tuned.

PCA Zone 2 consists of 10 Regions in the Mid-Atlantic area, they include: Blue Ridge, Central, Chesapeake, Delaware, First Settlers, Keystone, Pocono, Potomac, Riesentoter, and

Chesapeake Region from our president

Shenandoah. The combined membership total for Zone 2 is over 10,000 members. The Chesapeake region alone has 50 events annually and the Potomac region, as the second largest Region in PCA, annually holds over 100 events. As a PCA club member you may attend events that are held in Zone 2 and any other Zone or Region.

Our next event (which as usual is already sold out) is our annual After Holiday Party. This year we've changed venues and are heading back to Turf Valley in Ellicott City, Maryland. If you've never attended the highlight of the evening is the "Bob and Manny Show" who emcee the infamous Yankee Swap where each couple brings a "Porsche" related gift, and you go home with one as well. However the fun happens in between where you should be careful to not become too attached to your gift because if it's that great of an item it's sure to be stolen from you before you have a chance to really enjoy it.

For the past 3 years my wife Cheryl has been the Zone 2 representative. As part of her position, she attends at least one event per Region annually. When possible she'll attend more and usually the Region that doesn't see her as often is Chesapeake. I'm very fortunate in that I attend the events with her where we have seen some incredible cars. But this club is truly about the people that make up the membership, where we have made great friends in all 10 Regions. Our club members come from all walks of life who volunteer countless hours to arrange and organize venues. If you haven't attended events, then you missing out on one of the greatest benefits of your PCA membership. Please check our website calendar to see what happenings you may be interested in attending. We'd love to see you.

Peace,

Claude

History Channel PCA-Style

A monthly feature depicting some highlights from pasts, 50, 40, 30, 25 years ago

(For January 2017 PATTERN)

By Bob Rassa, Club Historian

40 years ago in 1977 we had new officers taking hold of the club, with **Ted Goodwin** (Westinghouse employee) as President, **Carl Maio** as Vice-President, **Sheila McHenry** as Treasurer, and **Joanne Shap** as Secretary. **Ab Tiedemann** was the *Patter* editor, and **Jack & Joan Thomas** were doing production & graphics and **Bill Morgenstern** was doing photography and more graphics.

Sheila was the wife of **Bill McHenry** (72 911S as I recall, white), a solid autocrosser who also happened to own the Crown gasoline station on the east side of York Rd just south of Padonia Rd (now a Gulf station), as well as the franchises for both of the gas stations at the rest stops on I-95 (Maryland House and Chesapeake House). No, we didn't get PCA discounts from his stations but we sure learned about the vagaries of the service station business. Crown gasoline is still around but Bill's old station is now a different brand. **Bill Morgenstern** was a solid 914 owner and supporter and taught us all about the little idiosyncrasies of that VW-Porsche joint development. Did you know that the 914 was intended to be sold as a "VW-Porsche" when initially developed? Your historian was doing all the **PANORAMA** new model road tests back then and got his hands on one of the very first preproduction models brought into the US for press testing – 1 of 12 total - and it had the "VW-Porsche" script on the rear panel.

We were still holding our monthly meetings at **Peerce's Plantation Restaurant** at Loch Raven Reservoir, which was a far cry from the **Deutshes Haus Restaurant** (Mt. Royal Avenue) basement where the club met in the mid-1960's, and the January meeting featured **Richard Reeve of Ziebart** who would talk about their patented rustproofing process. All cars rusted out back then except those raised in the desert and rustproofing became a staple treatment to preserve chassis and rockers.

In the *For Sale* section, member **Rob Kline** was selling his '65 C coupe with 1600 engine, Koni shocks, Michelin XaS tyres, and factory shop manual for the princely sum of \$4500. **Carl and Sherry Maio** reported on their recent 8500-mile, 23-state tour of the west in their '75 911S Targa, which unfortunately began to misfire seriously at mile 426 of the trip from west to east, causing the Maio's to shelf their *TripTik* (remember those??) and instead use their listing of Porsche dealerships for routing.

A PCACHS ski trip to Elk Mountain in central PA was planned for late February, at a cost of \$47.34 per person which included 2 night's lodging at the Holiday Inn Scranton, breakfast for 2 days, Saturday dinner, AND lift tickets for Saturday and Sunday. And we had advertisements from 40 West Porsche + Audi, Towson Valley Motors (Porsche, Audi, Mercedes), Ziebart, and some tire place in Towson called Interstate Tire that offered Michelin XaS tyres, size 165HR15 for \$47.64. The super-sticky XWX in 185/70VR15 went for a whopping \$88.00. Oh, and it cost 13 cents to mail the 12-page tome.

Note your calendars for an encore performance of the premier event of the season, the After Holiday Party and Yankee Swap. Chesapeake Region has established a reputation for the finest and fiercest Yankee Swap in PCA, one that has been copied by other regions, but never quite duplicated. The social hour and dinner are spectacular enough, even in a group that defines itself as a "social club, with a serious car problem", but the Yankee Swap makes the event. A "Gift Exchange" is merely a mild description of the feeding frenzy that takes hold at this triple steal event. Chesapeake Region, despite being below the Mason Dixon Line, puts the "Yankee" into Yankee Swap.... The good stuff is coveted, hoarded and only grudgingly given up under duress. The original emcee team of Alban and Gutjahr, more popularly known as The Bob and Manny Show, will once again host this sell-out event.

This year there will be a change to how the Yankee Swap is done. To allow us to increase attendance to 125 people, **we will be limiting the Yankee Swap gift to one per couple**. Each couple who wants to play just needs to bring a wrapped "car-related" gift, approximately valued at \$25-\$30. (Of course, if you prefer, you may attend the event and not participate in the Swap, but be prepared to feel left out once the fun begins!) Be sure to bring a gift that you'd be happy to take home, because you never know what will happen! All gifts are placed together and names are drawn one at a time... each participating couple has the choice of choosing a new gift, or stealing one that has been opened before. Don't worry, the rules will be explained prior to the start of the Swap and Manny and Bob will make sure you laugh so much your cheeks hurt!

Kindertime Toy Drive and Linda's Legacy

More Than 60 Members Gather for 2016 PCACHS Kindertime Toy Drive and Linda's Legacy Event

By *Aniano Arao*

The day began in the 20s with a spell of light snow. Then it stubbornly stayed cloudy and in the 30s. But the chilly and dreary weather did not deter more than

60 PCA members from showing up for the Chesapeake Region's annual Kindertime Toy Drive and Linda's Legacy gathering on Dec. 11. This pre-Christmas event was hosted once again by **Porsche of Towson**, represented by **Steve Postol**, who kindly provided a light breakfast.

The attendees brought hundreds of new and unopened toys for the children at the Ronald McDonald House and the Kennedy Krieger Institute, as well as for other kids in need in the Baltimore area. The toys will be distributed by Cinematographer

Pete O’Neil of WMAR TV, with assistance from the Baltimore Fire Department.

Days earlier, members of the region had also donated **\$11,525** to **Linda’s Legacy** for the purchase of essential winter items for the homeless in Baltimore, Washington, DC, and Anne Arundel County. On the morning of Dec. 11, club members packed those essential sweatshirts, thermal underwear, socks, gloves and hats into **461 backpacks**, which were to be distributed on Christmas Eve.

(NOTE: A week after the gathering at Porsche of Towson, PCA’s Chesapeake Region made a last-minute donation of an additional \$3,750 to Linda’s Legacy for the purchase of 150 more

backpacks. Other late donations from members eventually raised the region’s grand total to \$15,625, enough for 625 backpacks of winter essentials for the homeless.)

After the packing of the backpacks was completed on Dec. 11, short and inspiring speeches were given by Kindertime Toy Drive founder Pete O’Neil, Linda’s Legacy Executive Director Jeanette Middleton-Sudano, and PCA-CHS President Claude Taylor.

Then about 40 PCA-CHS members in about two dozen cars went on a 25-mile driving tour through

some of the area's wonderful back roads, with the **ABC2/WMAR-TV** station in Towson as the destination. This driving tour was the Chesapeake Region's 11th in 2016.

Members unloaded the toys at the TV station, headquarters of the overall Kindertime Toy Drive. Some of them then joined a guided tour of the station, conducted by WMAR's **Pete O'Neal** himself. Afterward, many of the members proceeded to the

This December event was spearheaded by President **Claude Taylor**, with the collaboration of **Gary and Kara Martinez**. They were assisted by **Hanna Golom**, Community Service, **Aniano Arao/Randy Moss**, Tour & Rally and **Rob and Kathy Costello**, Social Committee.

Chesapeake Region

PCA Plates

Chesapeake Region coordinates PCA Organizational Maryland License Plates issued through the Maryland Motor Vehicle Administration (MVA). The license plate program promotes the visibility and camaraderie of PCA and serves as a fund raiser for Chesapeake Region events. The total cost for the PCA license plates is \$35, which includes the \$25 MVA fee, and a \$10 Chesapeake PCA fee.

If you would like to obtain the PCA License Plate(s), complete the information sheet available on our web site: <http://pcachs.org/pca-maryland-license-plate/>. Once we receive your information sheet, we will mail you the MVA Application-Certification form for Organizational License Plates. The MVA form is a two-part state form, which requires signatures of the owner and any co-owner.

Please complete the MVA Application form and mail the form along with your checks to the address below. Make your \$25 check payable to MVA. Please enclose a separate \$10 check payable to

Chesapeake Region-PCA to cover a one-fund raising fee.

PCA License Plate Coordinators

P.O. Box 8144

Elkridge, Maryland 21075-8144

Important: Do not mail the MVA form and checks directly to MVA.

Requirements: You must be a PCA Member and the car must be registered in Maryland. The PCA Plates are not limited to Porsches. You can apply for PCA plates for all your cars registered in Maryland.
