## from our president

### *President's Message*

*Hello all,*

**T**he days may be getting shorter but our calendar is in full swing. Our board meeting on August 16 was another well attended session of good discussion and dialogue. We will be adding another committee to our group. We are in the process of writing an amendment to form an internal financial review committee; this group will be given the power to evaluate our books annually or when necessary. The books were just reviewed and everything was found to be in order.

It is that time of the year when we are looking for potential candidates for the upcoming elections. The Executive Committee is made up of elected positions which include President, Vice President, Executive Vice President, Treasurer, Secretary and immediate Past President. **Chuck Marshall** our **Executive Vice President** and **Bob Rassa** our esteemed **Historian** is the Nominating Committee per our By-laws. We are always looking for volunteers to help make our region stronger. If you are interested in serving on a Committee, please contact me. In particular, we are looking for an Editor for our monthly newsletter: *The Porsche Patter*. We are also seeking a Chairperson for the Chesapeake Chal-

lenge. It has come to our attention that when we have a dedicated Challenge Chairperson they're able to focus on the big picture, from locating a new venue to selecting the food menu. Please remember that all of us were new volunteers once and because of the mentoring and support of those serving before us, we transitioned into our positions nicely. If you are interested, please contact me and let us know of your interest.

On **August 19<sup>th</sup>**, we held **Autocross #5** and from the reports I have seen it was another spectacular event. There were 45 participants and some fast times. Thanks to **Pat Walker** and **Ryan Golom** for their continued dedication and leadership with our Autocross events.

On **August 20<sup>th</sup>**, our social Chairs, **Gene and Sharon O'Dunne** welcomed us to **Nicks Fish House** in South Baltimore. It was a great turnout of our wonderful members along with fabulous food. As you know, everyone is welcome to each monthly Social, so please come out to any of our events.

On **August 25<sup>th</sup>**, we had originally planned to hold our Meet and Greet at **Porsche of Towson**, but due to our staff being overworked we put the word out too late, so we decided to cancel, but on **August 26<sup>th</sup>**, we held the **48<sup>th</sup> Chesapeake Challenge** and it sold out

# Chesapeake Region from our president

quickly! This year it was held at the **Linganore Winecellars** in **Mount Airy, MD**. The location offered a beautiful vineyard set on lush rolling hills as far as I eye could see, as the backdrop. Couple the setting with the wonderful weather, then you have a perfect setting to display our member Porsche vehicles. The cars were the icing on the cake. The food and camaraderie were remarkable along with the day full of challenging events from - The Concours d'Elegance, The "Street Prepared" wash and shine category, The Gimmick Rally and the multiple-choice Porsche History and Tech quiz.

The food for the **48th Chesapeake Challenge** was provided by **Linganore Winecellars** catering service and was excellent. We had an esteemed guest and fellow PCA member, **Cole Scrogam** as our speaker for the evening awards banquet. Cole shared a wonderful story from the 24 hours at Daytona in 2000, along with his many years of managing race teams and his involvement Porsche A.G. A huge thank you to **Minta Miller** and **Donna Brandt** for Co-Chairing CC48. Also, a large thank goes out to all of the volunteers who helped put on our premier event. Thank you all!

Our next **Board Meeting** will be Wednesday evening, **September 13<sup>th</sup>**, at which time the Nominating Committee will present the slate of candidates for the 2018-2019 elected Executive

Committee positions, as well as the date, time and the location of the December election.

On **September 16<sup>th</sup>**, PCA National will once again hold their **Annual Open House** in **Columbia, MD**. More details will follow.

On **September 17<sup>th</sup>**, our **6<sup>th</sup> Autocross** of the season will have a different twist. It will be held at **Ripken Stadium** in **Aberdeen, MD**. We are limiting our participants to the first 100 registrants. If you have not driven at Ripken you owe it to yourself to register. The venue lot is very large, and we use to hold our AX events there in the old days. Thanks to **Ryan Golom** for securing the lot through a lot of work for us.

On **September 20<sup>th</sup>** PCA National will hold their **Treffen** in **Asheville, North Carolina**. The **Treffen** escape is an upscale abbreviated Porsche Parade focused on a beautiful upscale location where participation is limited to a smaller group of PCA members. Two Treffens are held annually. **Asheville** is a beautiful town that is close to us. It should be a beautiful venue.

On **September 30<sup>th</sup>** we will have a tour and social combination; stay tuned the details to follow. That's all for now.

**Peace,**

**Claude**

## History Channel PCA-Style

*A monthly feature depicting some highlights from pasts, 50, 40, 30, 25 years ago*

*By Bob Rassa, Club Historian*

**F**orty years ago in **September 1977** **Frank Salemi's Interstate Tire** was offering brand-new Michelin tires, XaS 165HR15, for only \$44.16, and the super sticky XWX, size 185/70VR15, for \$97.48. He also offered adjustable **Koni** shocks for \$42.67 front and \$29.33 rear. Frank still had 2 stores back then, the main one on Orchard Tree Lane in Towson and the satellite (Hmmm, that word didn't exist back then, did it?) in Arbutus.

We also learned that **Chesapeake Challenge 10**, headquartered at the **Cross Keys Inn** in **Columbia, MD** was a huge success despite a lot of rain on Saturday, with a staff of 17 people not including Concours d'Elegance judges. Among the many attendees (exact number not noted but we recall about 75 cars) were **Lee and Brenda Roy** our **Downeast Region**, who were inspired to go back to Maine ("up-country") and start their own multi-Region weekend event. **Carl Miao** (pronounced "Mayo") alerted us to the fact that radar detectors were still legal in Maryland.

**Lee Raskin** reported on his recent trip to Los Angeles where he saw literally hundreds of Porsches, including many 356s, for sale at ridiculously low prices. How about a very nice **Speedster for under \$10k?** (Who knew, right?). Club **President Ted Goodwin** reported on his trip to San Francisco where he saw numerous Porsches at the airport parking garage, including an older 911, some 924s, 356A, 914, and a **Drauz** roadster.

**T**hirty years ago, in **September 1987** we find **Bob Schmitt** as **President**, and our meetings moved to the **Quality Inn Towson**. **Bob Gutjahr** announced a "**Patriot Games Fall Foliage Spectacular**" gimmick rallye to celebrate the release of Tom Clancy's *Patriot Games* novel. (y'all knew Tom Clancy was from Baltimore, right? He went to Loyola High School). An autocross school was planned for the month at **Towson State University**, and a **Drive-n-Dine** was scheduled for early October with dinner at the **Penwick House in Dunkirk MD**. (Sadly, a search shows this long closed). Finally, a treasurer's report showing the club's balance cash-on-hand at \$1,956.67.

# *Ellen's Doozy of A Floozy Rally At Porsche*

**E**llen Beck has chaired the Porsche Parade's Gimmick Rally since its inception at the 50<sup>th</sup> Parade in Hershey in 2005. It was something entirely

new to the Parade schedule, inspired by the success of fun, low-key gimmick rallies across PCA on the regional level. Since then, the Parade Gimmick Rally has become one of the most

popular events at Parade, because unlike the TSD rally, you can drive anything and bring the whole family along. The rallies are always fun, highlighting the local history, unique attractions, scenic drives and overall flavor of each Parade location – including suggested stops along the way for something that you might not otherwise see or experience anywhere else. The “gimmicks” have generally been suggested by something about the route and its possibilities that “inspires” Ellen.... and that changes every year. Just like a box of chocolates... you never know what you’re going to get! And every year

seems to bring a new gimmick and even more rallyists to join in the fun. For the second year in a row, it was the largest moving car competitive event at Parade.

For 2017’s Gimmick Rally at Spokane, Ellen enlisted the support of Chesapeake Region to put on a Doozy of a Floozy poker rally, which combined the unique history of the Pacific Northwest with a spectacular drive through the logging and mining country of eastern Washington and western Idaho. The 135-mile rally ran south from Spokane down to Rockford, WA, then further

east and south to St Maries, Idaho. It then doubled back north by northeast and traveled through Idaho's logging country, past Rose Lake and hugged the Coeur D'Alene River up into the mountains and mining country, eventually up and over Dobson Pass and down the mountain into Wallace, Idaho. Wallace is famous for being the "Silver Capital of the World". Every downtown building is on the National Register of Historic Places... which is why the federal government finally had to go over the town, instead of through it, in order to complete the Interstate

Highway system in 1991. It really personified the Wild West for most of the past 150 years, with bordellos, saloons, and banks the principal businesses catering to the silver mining industry. There was a lot of money in town (still is) and a lot of gamblers (what else to do? Oh, wait! The saloon girls...).

Ah! The saloon girls! They were an integral part of fascinating history in the area's mining towns, particularly in Wallace. Over time, a number of enterprising ladies set up businesses to serve the "customers" in this remote mining

town. They kept their ladies respectable and respected, and assumed community roles, funding many education and social projects in town. The Oasis Bordello, now a museum, was active well into the 1980's, believe it or not. So what better way to (wo)man the checkpoints in a poker rally than with saloon girls. In costume. Looking like... well... floozies! J So when Ellen put out the call for floozies, Chesapeake Region was all in. And everyone was looking good on rally day, accompanied by her card sharp! Donna Brandt and Warren Schultz took on duties at the

first checkpoint at the Spokane Fairgrounds. Linda and Ron Gordon manned the second at a place called- ironically enough, FredNeck's Saloon and Beanery- in Rockford, Washington. And Minta and Aaron Miller were at the final stop, sitting right outside the Oasis Bordello Museum in Wallace!

Over 250 cars signed up for the rally, and 185 cars (over 400 people) participated on the July 13<sup>th</sup> rally day. At each checkpoint, rally-ists greeted each of the card sharps and the floozies, and drew a card from a 52 card deck. The

floozy or card sharp recorded the card on the rallyist's score sheet, and returned the card to the deck. The rallyists then threw the dice, and again the sharp or the floozy logged that total on the score sheet. As part of their score sheet, rallyists wrote the names of famous floozies they met along the way, and each floozy was all too

happy to provide her nom de guerre. Before the end of the rally, rally teams had to research and 'discover' the history of each floozy and match them on the answer sheet.

Our Chesapeake girls and guys really got into the spirit of the day, their costumes, and their alter egos.

- Linda was Josie Moran [aka Josi/Jesse Morin/Moore - She was a very well-known madam in the first half of the 20th Century who ran a booming business at the U&I Rooms in Wallace and similar places in the Coeur d'Alenes. She was known for being a very generous lady, donating money and other helpful things when needed.
- Minta was Ginger. She moved to Wallace from Hollywood, California and was the last madam of the Oasis, now a museum and gift shop. She became famous for supporting the annual mining competition, wearing hundred dollar pajamas all day, and the mirrored decorations in her house.

At the end of a very long rally day, our ladies and card sharps were exhausted, as you would expect. Rally results are posted on the Parade website, but the real result was the roads traveled, the history, the adventure, and the fun. Everyone had a great time, no cars drove over the edge of

Dobson Pass, and there were so many photo ops and unique scenery that this Gimmick Rally will go down in history.

**T**he Aug. 5<sup>th</sup> Horse Country Classic Tour offered 48 PCA members and guests in 25 cars one of the best and most enjoyable drives in the Balti-

more area. The route consisted of scenic, twisty, undulating and varied back roads in northeastern Maryland, as well as in a small section of Pennsylvania's York County. There were many

charming horse farms along the way. One participant, Rob Gabler, said he saw 46 horses.

The 64-mile route started in Reisterstown and ended in Monkton, at the Manor Tavern, where 32 participants in 17 cars enjoyed a wonderful lunch. This was the sixth event in 2017 offered by the Tour & Rally Committee of the Porsche Club of America's Chesapeake Region.

chair Randy Moss and I divided the 25 cars into two groups. I led the first 13 cars, while Steve and Janice Graham led the second group, made up of 12 cars. Randy and Michelle served as the overall tour sweepers.

I had uploaded the route into the Porsche GTS Routes navigation app beforehand. Some participants used this phone app for the first time during the tour. One of them, Al Saxon, posted this comment in the app: “What an awesome route! Excitement at every turn!”

Among the 17 driving tours and rallies that Randy and I had organized since last year and up to early August, Paul Sobus declared that “this was the best” of the ones he and Lynda had attended. The comments from practically everyone else were in a similar vein. Roxane Zach even asked if this tour would be offered again because, she said, she wants to go again. And I said, “Yes, next year,” considering the overwhelmingly positive and encouraging feedback we received from virtually all who took part.

# Chesapeake Challenge - Chairperson I

The Chesapeake Region Board is looking for an Event Chair. This is a voting non-elected board position; *Chesapeake Challenge Chair*.

As many of you know the Chesapeake Challenge is the premier event of the year. It is a multi-event day which features: **Concours d'Elegance, Gimmick Rally, Tech Quiz, Lunch, Awards Dinner, and a VIP Special Guest Speaker.**

We are taking a page out of the Porsche Parade handbook and are already scouting locations for following years. This requires a Chesapeake Challenge Chair to volunteer for a few years at a time. In the past, it has been detrimental seeking a Chair for each year. We are hoping to alleviate this problem with a dedicated Event Chair.

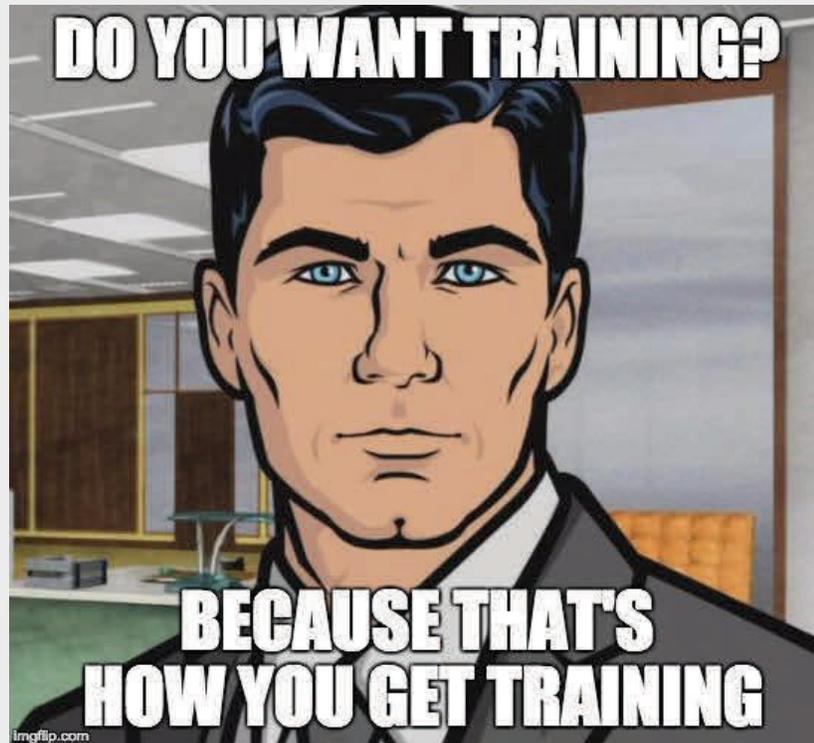

Duties include: scouting and reserving location, submitting budget for Executive Council approval, coordination with your team. That's right, you get a **TEAM of AWESOME** volunteers to help you put this event together

# Needed

## Your TEAM includes:

- Concours Chair
- Tech Quiz Team
- Tours & Rally Team
- Trophy coordinator
- Treasurer (to assist with budget items)
- Historian
- PCACHS President (coordinates guest speaker)
- Goodie Bag Coordinator

Training will be provided by current Event Chairs, Minta Miller and Donna Brandt. This year's Chesapeake Challenge will be in August and we are already searching for next year's location. So as soon as the position is filled, the training can begin!
